

Make some less fortunate feet happy too!

**At least 95 children of asylum-seeking families
in West London need school shoes now.**

We are pairing up with
local charity West London Welcome
to provide school shoes for these children.

PAIR UP asks you to buy a same value shop voucher
when you buy your own child a new pair of shoes.
Hand in the voucher to reception and we will pass
it on to the charity who will make sure it reaches
a local child in need.

These are the feet that need the shoes!

West London Welcome supports asylum-seeking
families who often arrive with nothing.

New arrivals receive just £9 a week from the Home
Office and cannot afford to buy uniform, let alone
shoes. Whilst it's possible to get second-hand
uniform, it's vital that feet are happy in new,
well-fitting shoes. Help us to ensure these vulnerable
children start school with the dignity they deserve.

Want to take part? Here's what to do...

1. Purchase a shop gift card at the same value as
the pair you buy for your child. Clarks, Doc Marten,
Trotters, Ecco, Footlocker, John Lewis all sell them
(please ensure the value of the Gift Card is visible)
2. Return the Gift Card to reception in an envelope
marked Pair Up
3. Our chosen charity, West London Welcome, will
collect the vouchers and give them to the parents
who cannot afford to buy shoes.

Go Pair Up!
